The IAPF is the leading organisation representing pensions in Ireland. We are a powerful voice in promoting the cause of provision for retirement. We provide a wide range of events that allow members to keep abreast of developments and enhance their pensions and investment knowledge. IAPF events are ideal channels for companies to showcase their brand, products and services to the Irish pensions community.

Sponsorship of an IAPF event is exclusive to IAPF members only. Your brand will be at the centre of attendee awareness before, during and after the event. You have the opportunity to make key decision makers aware of your philosophy and views which can lead to new business conversations and opportunities while networking with the Irish pensions community

Sponsorship (either exclusively or jointly) of an IAPF event will include the following:

- Promotion across our communication channels; direct email (to the 1,750+ member contacts), IAPF website, IAPF Yearbook & IAPF Digital Magazine as well as our Press Releases and eUpdates. Increased visibility and reinforcement of your industry leadership
- Logo placement on IAPF website Events Page and in all conference communiqués (email and social media). This includes a link to your website
- Sponsor may provide a conference speaker to cover a topic which will be of educational interest† to the audience and that fits with the conference programme
- Complimentary Delegate passes
- Shared branding with the IAPF on conference brochure and PowerPoint
- Opportunity to provide promotional leaflets, pens and gifts to the delegates
- Permission to use the IAPF logo in the context of sponsoring our event, which offers you the opportunity to leverage your positive association with the IAPF
- Dedicated member of IAPF staff to liaise with on logistics, before, during and after conference

† Precise details to be agreed by sponsor and IAPF in written agreement

We will have a combination of events in-person and online for 2025. It is our intention to continue to provide our members with the high calibre programme of events they have come to expect from us.
